Re: Proposed annexation to the  
City of Hawthorne  
"Morris Annexation No. 2"  
(Detachment from Inglewood)

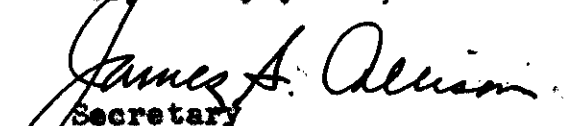

Dear Sir:

At the meeting held on August 31, 1955, the County Boundary Commission reviewed the boundary description and map submitted on August 17, 1955, by Kyle Forrest, City Engineer, Hawthorne, for the above proposed annexation to the City of Hawthorne.

The Acting County Engineer called to the attention of the Commission that although the description could be approved within the meaning of Section 35002 of the Government Code, certain minor changes were desirable to clarify and perfect some of the references. Said minor changes would make no change in the location of the boundaries shown on your map.

The County Boundary Commission approved the boundary description submitted by you and the alternate description recommended by the Acting County Engineer and respectfully suggests the alternate description be used in all proceedings relating to the proposed annexation.

Very truly yours,

  
Secretary
